- **Author:** Lavergne (Lucie)
- **Abstract:** *Poesía para niñas bien* (2011) by the poet Txus García deals with games of seduction, desire and lesbian sexuality. Desire can be frustrated but it is often overflowing, it brings about a state of tension which is poles apart to the sweetness of the feeling of love. Eroticism must maintain its distance from desire so as to get to its purpose, by uniting with logos more than passion.
