Apollinaire

Le renouvellement de l'écriture poétique du xx^e siècle

- **Publication type:** Book
- **Author:** Richter (Mario)
- **Abstract:** The poetry of Apollinaire is an exploration of the “colourless depths” of consciousness and the uncharted territory of desire. It is with this Orphicist vision that the poet achieves his best results at the level of both ethics and style, and sets the course for twentieth-century poetry in a truly original way.
- **Number of pages:** 362
