La critique biographique en procès (1832-1871)

- **Publication type:** Article from a collective work
- **Collective work:** [Archéologie du Contre Sainte-Beuve](#)
- **Author:** Diaz (José-Luis)
- **Abstract:** What was “biographical criticism” accused of in Sainte-Beuve’s lifetime? Of being improper, of focusing in an inappropriate way on details, and of analysing without judging. *Contre Sainte-Beuve* is inscribed in a different lineage: that of the critics who, long before it, denounced the attention biographical criticism paid to the social self to the detriment of the profound self, which manifests itself in works of art: Jean Aicard, Alfred Michiels, and Émile Bersot.
