Bacon et le gouvernement du savoir Critique, invention, système : la pensée moderne comme épreuve de l'histoire

- **Publication type:** Book
- **Author:** Milanese (Arnaud)
- **Abstract:** Baconian reconstruction is at once philosophical and political. By means of a *critique* of our historical conditions, it seeks to understand the *system* of epistemic and political institutions, and initiate a new *invention*-centered history. This is the meaning with which Bacon has endowed modernity.
- **Number of pages:** 587
