Viresque acquirit eundo La devise des *Essais* et ses antécédents

- **Publication type:** Journal article

- **Author:** Legros (Alain)
- **Abstract:** The epigraph finally chosen by Montaigne as a motto for his *Essais* refers to a formula by Virgil: *viresque acquirit eundo*, which can be translated literally as “and she gains strength in going on”. Like a human being changing every seven years, if not from minute to minute, the book-child, under the tender yet critical eyes of the author, appears neither exactly the same, nor entirely different.
