« Un vrai témoignage de l'humaine imbécillité » L'erreur et ses formes judiciaires

- **Publication type:** Journal article
- **Journal:** [Bulletin de la Société internationale des amis de Montaigne](#)
[2015 – 2, n° 62](#)
[. varia](#)
- **Author:** Roussel (François)
- **Abstract:** By focusing on specific cases of judiciary errors, the interest of a certain number of excerpts of the *Essays* lies in making more perceptible that which does not fold them too quickly into a general and inherited weakness of human reason. The point is instead to analyze the rather different forms of their mechanisms and their effects, often terrible, which are a mixture of random presumptions and of sometimes intransigent institutional procedures.
