Vingt ans après, le destin des Rectifications de l'orthographe de 1990 dans les dictionnairesL'exemple du *Dictionnaire Hachette*, du *Petit Larousse illustré* et du *Petit Robert*

- **Publication type:** Journal article
- **Journal:** [Cahiers de lexicologie](#)
[2010 – 2, n° 97](#)
[. Dictionnaires et orthographe](#)
- **Author:** Jacquet-Pfau (Christine)
- **Abstract:** Reflecting as they do both usage and the norm, dictionaries offer an attractive vantage point to examine the reception of the 1990 French spelling reform. The proposals for reform are still tentative, twenty years after being published in the *Journal officiel de la République française* of 6th December 1990. Dictionaries thus have two tasks: to monitor and account for actual usage, and to follow the official line within reasonable limits. The aim of the article is to analyse how the lexicographers express themselves in the front and back matter and what is actually practiced in the indications given. In other words, how can the users of the 2011 editions of *Dictionnaire Hachette*, *Le Petit Larousse illustré* and *Le Petit Robert* find their way around French spelling?
