Cahiers Louis Dumur

Le sac de Louvain Quelques éléments stylistiques

- **Publication type:** Journal article
- **Journal:** [Cahiers Louis Dumur](#)
[2015, n° 2](#)

- **Author:** Débois (Antoine)
- **Abstract:** *Nach Paris !*, which was published in 1919, is understood as a post-war prolongation of Louis Dumur's editorial strategy of denouncing German war crimes. The author brings everything into play to support his point of view, enshrined even in the writing style, which looms large in the novel's incisive impact and opens the way for a veritable literary investigation
