Crimes de guerre L'apport des théories morales de la responsabilité

- **Publication type:** Book
- **Author:** Wurtz (Karine)
- **Abstract:** Who is responsible for war crimes? How can we take into the consideration the fact that war can be traumatising for soldiers without excusing the crimes committed? This work, inspired as much by the analytic tradition as by the continental, seeks to understand just what is at stake in designating responsibility for war crimes.
