Le bien-fondé d'un discours fragmenté Comparaison entre le droit et la littérature à la recherche de leur légitimité

- **Publication type:** Article from a collective work
- **Collective work:**
[De l'écriture et des fragments](#)
[. Fragmentation et sciences humaines](#)
- **Author:** Wessler (Éric)
- **Abstract:** To fight against the harmful fragmentation of European law, juridical codes were invented at the end of the eighteenth century. This invention implied a shake-up of the very status of law, the nature of law, and its anthropological function. The observation of this process illuminates literary history: the concept of the ideal work is radically opposed to that of fragmentary writing.
