The nonsense of an ending Laurence Sterne's *A Sentimental Journey* in the intersection of eighteenth-century travel literature and fragment culture

- **Publication type:** Article from a collective work
- **Collective work:**
[De l'écriture et des fragments](#)
[. Fragmentation et sciences humaines](#)
- **Author:** Bús (Éva)
- **Abstract:** The traveller-narrator in Sterne's novel, Yorick, affirms that his "journeys and [his] observations will be of an entirely different nature from those of [his] predecessors". This essay examines the way in which Sterne, in his last fictional works, defies and reconfigures travel literature by using the techniques of the contemporary culture of the fragment.
