Humanisme et conflit Le pari de la médiation

- **Publication type:** Article from a collective work
- **Collective work:**

- **Author:** Simonnet (Nathalie)
- **Abstract:** In its capacity as a mode of preventing and regulating differences of opinion, mediation affirms itself as an alternative to the recourse to State jurisdiction. Based on the lived experience and practice of a mediator, this article analyses the links between mediation and humanism, underlining the virtues of this alternative mode of regulating differences in order to humanise conflict.
