Entreprise & Société

For a convergence of initiatives related to a reconstruction of finance

- **Publication type:** Journal article

- **Author:** Pérez (Roland)
- **Abstract:** The global financial crisis unleashed in 2007-2008 led to reflection and debate around the themes of the refoundation of finance. Various initiatives have been taken, collectives have been created, driven by researchers or by practitioners, citizens elsewhere concerned about the scale and duration of the current crisis, sometimes bringing together, to varying extents, these different categories of actors.
