Esclavage et nazisme Expérience concentrationnaire et résonances de la mémoire de l'esclavage dans- *L'Étoile noire* de Michelle Mailet

- **Publication type:** Article from a collective work
- **Collective work:** [Esclavages et littérature](#)
[. Représentations francophones](#)
- **Author:** Patrie (Émilie)
- **Abstract:** This article analyses the superposition of literary and memorial representations of slavery and the Holocaust in *L'Étoile noire* by Michelle Mailet. Sidonie, a young deported girl from Martinique, connects her experience of the concentration camp with that of her ancestors during slavery. Memories of slavery punctuate this narrative which appears to be an account of the Holocaust. Historical and theoretical reflections (intersectionality) illuminate the text and provide keys to it.
