Vie et opinions L'essayisme sternien au xix^e siècle

- **Publication type:** Article from a collective work
- **Collective work:**
[Essai et essayisme en France au xix^e siècle](#)
- **Author:** Sangsue (Daniel)
- **Abstract:** In the *Life and Opinions of Tristram Shandy*, autobiography is accompanied by an opinionism which derives from the essay. Subjective and heterodox, satirical and comedic, Sterne's essay-writing was to inspire a long line of texts in the nineteenth century whose titles claimed affiliation to the original. The article explores this literary vein, studying the way in which it transformed the Sterne-style essay.
