Études Stéphane Mallarmé

La correspondance de Mallarmé est-elle une véritable mine pour les lexicographes ?

- **Publication type:** Journal article
- **Journal:** [Études Stéphane Mallarmé](#)
[2015, n° 3](#)
[. varia](#)
- **Author:** Matsumura (Takeshi)
- **Abstract:** Few of the studies devoted to Mallarmé have been specifically directed towards his use of vocabulary in its historical context. This article explores this possibility in relation to Mallarmé's correspondence, arguing that it is a rich field of study for future lexicographers.
