- **Abstract:** At a time when Shakespeare's comedies were still little known across the Channel, and never staged, George Sand sought to acclimatise *As You Like It* to the French stage. Relying on the Romantic acting of Rouvière in the role of Jacques, a role she expands and makes more moralising, she adapts the play to the romantic wooded pasturelands of Berry, making it a more romantic comedy, and one that was far removed from Shakespeare's original intentions. The production was no more than a critical success, but it did introduce audiences to a little-known work in the Shakespearean repertory.
