- **Author:** Dodet (Cyrielle)
- **Abstract:** *Service suicide* by the Danish playwright and director Lollike (2006), *Le Voyage d'Alice en Suisse* by the Swiss German-speaking playwright Bärffuss (2007) and *La Liberté* by the Quebecois playwright Bellemare (2013) provide a sharp outlook on the delicate matter of assisted suicide. By conjuring up philosophical, ethical, religious and commercial visions in a manner that oscillates between science fiction and documentary plays, they underline how assisted suicide is a symptom for several other issues.
