Factographies L'enregistrement littéraire à l'époque contemporaine

- **Publication type:** Book
- **Author:** Zenetti (Marie-Jeanne)
- **Editorial manager:** Coquio (Catherine)
- **Abstract:** Since the sixties, we have witnessed the proliferation of literary forms which seek to harness reality by assembling documents. These “factographies” have created a literature of the “record”, which abandons narrative for the sake of alternative ways of writing the real. The thesis which this work is based on was awarded the Prix Louis-Forest from the Chancellerie des universités de Paris.
- **Number of pages:** 378
