Techniques d'odorisation dans les arts vivants

- **Publication type:** Article from a collective work
- **Collective work:** [L'Art olfactif contemporain](#)
- **Authors:** Salesse (Roland), Hare Domisseck (Sophie)
- **Abstract:** Any olfactory art worthy of the name depends on technical conditions : a focus on systems of odourisation and a mastery of diffusion and ventilation. This article considers odourisation practices, their history, and technological advancements in the field. It also reviews the different ways of odourising, notably in the performing arts, like the theatre, and compares their respective merits and limitations.
