L'Autre École de Iéna Critique, métaphysique et psychologie chez Jakob Friedrich Fries

- **Publication type:** Book
- **Author:** Bonnet (Christian)
- **Abstract:** Professor at Jena, cradle of German Idealism, Fries (1773-1843) embodies a different strand of Kant's legacy. He paves the way for philosophy's post-Kantian engagement with neodogmatism, and undertakes a psychological - or anthropological - critique of reason.
- **Number of pages:** 331
