« Si com jou truis el livre escrit » Les références externes dans la *Chronique rimée* de Philippe Mousket

- **Publication type:** Article from a collective work
- **Collective work:**
[L'Écriture de l'histoire au Moyen Âge](#)
[. Contraintes génériques, contraintes documentaires](#)
- **Author:** Courroux (Pierre)
- **Abstract:** Based on a study of Philippe Mousket's *Chronique rimée*, the article shows that the author, rarely considered to be a serious historian by modern-day critics, carefully constructed the historicity of his account through the use of external references. These are sometimes deceptive, sometimes simple postures, but are, on other occasions, surprisingly accurate. Their employment reveals an aspect of the medieval approach to history very different from our own.
