Les glissements progressifs du regard Pour une histoire des stéréotypes

- **Publication type:** Article from a collective work
- **Collective work:**
[La Méditerranée en passion](#)
[. Mélanges d'histoire contemporaine offerts à Ralph Schor](#)
- **Author:** Sirinelli (Jean-François)
- **Abstract:** In the context of the multiplication of sounds and images on a universal scale, the baby-boomers were the first generation to experience the opposition between national and innate stereotypes and the new, acquired stereotypes which transcended borders. This was one of the symptoms related to the emergence of the “global village” and its new horizons.
