Samuel Beckett et la violence Un parcours de l'œuvre

- **Publication type:** Article from a collective work
- **Collective work:**
[La Revue des lettres modernes](#)
[. La Violence dans l'œuvre de Samuel Beckett. Entre langage et corps](#)
- **Author:** Brown (Llewellyn)
- **Abstract:** *The disharmony produced by language is often manifested by the violence of the superego. The fury of blows reveals the insistence of this tormenting voice, which arouses a revolt in order to silence it. However, the superego is also a goad pushing the character to action. Finally, the work's evolution leads from the confrontation with imaginary doubles, through ceaseless metonymy, toward a halt which reveals a resistance regarding the imperative to say.*
