Le Duel entre justice des hommes et justice de Dieu du Moyen Âge au xvii^e siècle

- **Publication type:** Collective work
- **Editors:** Bjaï (Denis), White-Le Goff (Myriam)
- **Abstract:** This work studies the duel in the Middle Ages and Renaissance by analysing its codifications, its literary representations, and some famous combats. If its practice was the source of legal, political, and religious tensions, literature laid claim to it in the aestheticised form of the *agôn*.
- **Number of pages:** 259
