Les Pensées monétaires dans l'histoire L'Europe, 1517-1776

- **Publication type:** Collective work
- **Editors:** Blanc (Jérôme), Desmedt (Ludovic)
- **Abstract:** This work presents a wide-ranging synthesis of the monetary ideas found across Europe between 1517 and 1776, based on readings in the original language. It re-situates these ideas in their historical context and seeks to re-evaluate the discourse of authors who are little known today or considered as secondary.
