Les factions de l'âme Jean-Joseph Surin

- **Publication type:** Article from a collective work

- **Author:** Paschoud (Adrien)
- **Abstract:** The notion of the faction runs throughout the spiritual work of Surin, notably in his two major narratives, the *Triomphe de l'Amour divin sur les puissances de l'Enfer* and the *Science expérimentale des choses de l'autre vie*. This essentially political notion is transformed by its contact with mysticism: imported into the domain of demonology, it becomes a matter for theology, translates a divided perception of the writing subject, and provides a way of thinking about heterodoxy at the very heart of the mystic sphere.
