Lorand Gaspar, archives et genèse de l'œuvre

- **Publication type:** Collective work
- **Editors:** Gourio (Anne), Leclair (Danièle)
- **Abstract:** This work explores the archives of Lorand Gaspar stored at the IMEC and sheds new light on the notion of “continuous genesis,” which permeates all his work. It also illuminates the dialogue that this poet-surgeon, who is so curious about life, creates between poetry, philosophy, the visual arts, and the sciences.
- **Number of pages:** 408
