Assez parlé d’amour Le roman d’amour version oulipienne

- **Publication type:** Article from a collective work
- **Collective work:** [Métamorphoses du roman sentimental](#)
[. XIXe-XXIe siècle](#)
- **Author:** Rabenstein (Helga)
- **Abstract:** *Assez parlé d’amour* by Hervé Le Tellier is –it has been said– a “love story and nonetheless very Oulipien”. This article investigates the construction of the novel and the “Oulipien” processes which allow the author to eschew convention, avoid all sentimentalism, and explore amorous feelings in a skilful and subtle game which fuses levity, gravity, irony, and humour.
