Méthode et histoire Quelle histoire font les historiens des sciences et des techniques ?

- **Publication type:** Collective work
- **Editor:** Rey (Anne-Lise)
- **Preface writer:** Joly (Bernard)
- **Abstract:** Can the methods used to analyse the science of yesterday and today be mutually enriched through debate and dialogue with each other? That is the wager of this book which presents the plurality of methodological approaches within the history of science and technology, and interrogates its epistemology.
