Une merveilleuse clergie Pouvoirs et savoirs insolites dans le *Roman des Sept Sages* en vers

- **Publication type:** Article from a collective work
- **Collective work:** [Motifs merveilleux et poétique des genres au Moyen Âge](#)
- **Author:** Foehr-Janssens (Yasmina)
- **Abstract:** Collections of accounts with an edifying vocation (« *clergies* » romance) continue and re-orientate the poetics of romance. This study shows that the marvellous proceeds according to an analogical logic which is articulated in line with two distinct registers: where certain reinvest the marvellous with edifying aims so as to confirm the royal election and the power of the initiated over knowledge, as in the *Sept Sages de Rome*, others refuse to unite the marvellous and the *clergy*.
