## Sous quelle forme s'exprime la parole d'autorité dans les premières lois écrites en Grèce ancienne ?

- **Publication type:** Article from a collective work
- **Collective work:**  
[Paroles d'en haut](#)
- **Author:** Werlings (Marie-Joséphine)
- **Abstract:** The writing down of laws in ancient Greece gave a new form of authority to speech. Not only could the law be known by everyone, imposing itself in its monumental materiality, but it was expressed by a formula anticipating that of the classical decrees. The authoritative words revealed there were collective; they were those of the city.
