De quelles sources grecques usait Montaigne pour citer les philosophes grecs mineurs ?

- **Publication type:** Article from a collective work
- **Collective work:**
[Paroles dégelées](#)
[. Propos de l'Atelier xvi^e siècle](#)
- **Author:** Bizet (Michel)
- **Abstract:** Inspired by the curiosity of Montaigne, who cites the Greek philosophers in his *Essais*, this article considers the role that Greek sources have in the writing of the *Essais*. The goal of the work is to examine the presence of minor Greek philosophers and illuminate Montaigne's method, to know how Montaigne treats these philosophers, what is their interest for him, how are they cited, and why.
