Les dialogues de Louis Le Caron

- **Publication type:** Article from a collective work
- **Collective work:** [Paroles dégelées](#)
[. Propos de l'Atelier xvi^e siècle](#)
- **Author:** Vulcan (Ruxandra Irina)
- **Abstract:** This contribution illuminates the link between Le Caron's *Dialogues* and the principles of Pierre de La Ramée which reunites philosophy and eloquence. The poet-orator not only follows La Ramée's principles so as to understand and embellish them, but excels in this exercise. He thus links invention with judgement, and brings several disciplines together in line with Ramism, philosophy, politics, and the right to eloquence.
