Œuvres pragoises dans *Le Soulier de satin*

- **Publication type:** Article from a collective work
- **Collective work:**
[Paul Claudel et la Bohême](#)
[. Dissonances et accord](#)
- **Author:** Barbier (Christèle)
- **Abstract:** Which fragments of the Prague landscape did Claudel use in his play ? And what is counterfeit ? Beyond the intimate impressions of the town of Bohemia which infuse the play, the references to a spiritual baroque aesthetic make themselves felt.
