Paul Claudel, le nô et la synthèse des arts

- **Publication type:** Book
- **Author:** Nishino (Ayako)
- **Abstract:** During his diplomatic residency in Japan, from 1921 to 1927, Paul Claudel encountered the Nô, a form of traditional theatre. It corresponded to what he had been envisaging : a new form for synthesising the arts. This book casts light on the originality with which he interpreted and adapted the Nô in his own work.
