L'argumentation comme persuasion rationnelle

- **Publication type:** Article from a collective work
- **Collective work:** [Persuasion et argumentation](#)
- **Author:** Blair (J. Anthony)
- **Abstract:** The use of arguments in argumentative communication to try to persuade is one kind of attempt at rational persuasion. What makes it rational is that its informing ideal is to persuade on the basis of adequate grounds, grounds that make it reasonable and rational to accept the claim at issue.
- **Pages:** 161 to 177
