Icare et Dédale en utopie

- **Publication type:** Article from a collective work
- **Collective work:** [Poétiques du voyage aérien dans la littérature](#)
- **Author:** Sylvos (Françoise)
- **Abstract:** This survey of the history of utopias and imaginary journeys lets us appreciate the complex relationships which exist between poetic transformations and technical revolutions. To free the utopian voyage from its earthly weight and, in parallel, to develop hypotheses about the post-human is to radicalise the alterity of these lands of nowhere, and to shake them up through a new, fantasist, and free poetics.
