Le dediche di Nicola Trevet Il posto della storia

- **Publication type:** Article from a collective work
- **Collective work:**
[Pratiques latines de la dédicace](#)
[. Permanence et mutations, de l'Antiquité à la Renaissance](#)
- **Author:** Crevatin (Giuliana)
- **Abstract:** Nicolas Trevet dedicated most of his works to personalities of the papal Curia of Avignon and the court of England. The dedication of his *Annals* shows that his thorough knowledge of Livy, of whom he was the first commentator, sometimes allowed him to free himself from the formal conventions which characterise universal chronicles.
