- **Author:** Dotoli (Giovanni)
- **Abstract:** The four words comprising title of this new journal are clear: revue (discourse, reflection, analysis, study, panorama, excursus) European (the integral continent of Europe, from the Middle Ages to present day) research (research focused uniquely on poetry : theory, aesthetics, commentary), poetry (the poetic genre in all forms). The *Revue européenne de recherches sur la poésie* will confirm that European poetry exists and that it embraces a pluralistic view of the infinite, which is a very part of European discourse.
