Les Liaisons dangereuses Un opéra sens dessus dessous ?

- **Publication type:** Journal article
- **Journal:** [Romanesques Revue du Cercll / Roman & Romanesque 2016, Hors-série . Opéra et romanesque](#)
- **Author:** Guyon-Lecoq (Camille)
- **Abstract:** Libertine novel? Moral novel? By juxtaposing *Dangerous Liaisons* with the representation of *attendrissement* in the opera, which also permeates the novels with which Laclos is in dialogue, this article shows that his epistolary novel is this singular work which rises to the challenge of representing *attendrissement* as simultaneously a sentimental and a sensual ecstasy: the romanesque of libertinage is not necessarily incompatible with a certain dynamics of emotion.
- **Pages:** 99 to 119
