Termes métaphoriques et intégration conceptuelle dans le domaine des nanotechnologies

- **Publication type:** Article from a collective work
- **Collective work:** [Terminologie et domaines spécialisés](#)
[. Approches plurielles](#)
- **Author:** Fries (Marie-Hélène)
- **Abstract:** This paper on nanotechnologies focuses on metaphorical terms as the expression of theory-constitutive metaphors. The corpus-based analysis shows that conceptual integration can help understand how new disciplinary fields emerge. The bio-nano conceptual integration opens new avenues of research and makes way for a new approach to nanotechnologies as a broad multidisciplinary and interdisciplinary domain.
