Translatio : traduire et adapter les Anciens

- **Publication type:** Collective work
- **Coordinators:** Bonnet (Corinne), Bouchet (Florence)
Editorial manager: Glaudes (Pierre)
- **Abstract:** The works of Antiquity have always been subject to *translatio*, translation and transfer. This process is linked to the establishment of a “tradition”, a factor in cultural identity. Its history testifies to the ideological stakes. The present volume is a resolutely diachronic and multidisciplinary reflection on this.
- **Number of pages:** 331
