Une ville au sortir du Moyen Âge : Apt-en-Provence (1460-1560)

- **Publication type:** Book
- **Author:** Audisio (Gabriel)
- **Abstract:** This work focuses on legal registers from Apt-en-Provence between 1460 and 1560. It asks two questions: can social history be done without or with only legal deeds? At the crossroads between the Middle Ages and the modern era, was this city still medieval or already a town of the Renaissance?
