Qui-vive ?

- **Publication type:** Article from a collective work
- **Collective work:** [Valère Novarina](#)
- **Author:** Née (Laure)
- **Abstract:** Valère Novarina’s characters are always cast out towards the open sea and its risks. Novarina’s œuvre operates like a joyous form of knowledge which no authority can provide us with. Novarina’s approach endows worry with virtue: being alert becomes the guarantor of constant movement which stops beings and perception from freezing; it is a powerful lever which maintains the living force of becoming against the immobility of death.
